

PEUGEOT

ALL-NEW 308

DRIVEN BY ALLURE

UNIQUE SENSATIONS

The iconic All-New PEUGEOT 308 reaches epic new heights, with a seductive and dramatic design aesthetic which signals a new era for the marque. Distinctive exterior styling captures the All-New PEUGEOT 308's strength of character and its desire to help you make every moment your moment.

Dynamic from every angle, the sleek and athletic silhouette belies the powerful and bold proportions.

The chiselled design of the headlights houses the ultra-compact front light signature, with PEUGEOT's Matrix LED Technology, and fang-shaped daytime running lights.

The muscular rear end design is offset by an aerodynamic lowered roof line, with Full LED technology taillights displaying the iconic 3 claws lighting effect.

DESIGN & TECHNOLOGY

OUR NEW FACE

The All-New PEUGEOT 308 is the first model to feature the distinctive, newly designed PEUGEOT badge.

Sitting proudly on the radiator grille, the emblem symbolises the brand's strength, making it a fitting expression of PEUGEOT's heritage, timeless identity and commitment to ultra-modernity.

10" TOUCHSCREEN

The High Definition (HD) Colour Touchscreen features a tablet-like screen that is highly customisable – with greater responsiveness, enhanced functionality and a range of multi-page display modes.

Vehicle features can be configured to the new, fully customisable digital i-Toggle buttons, which provide shortcuts to your favourite actions and apps.

PEUGEOT i-Cockpit™

The new generation i-Cockpit™ boasts a full range of ergonomic enhancements and intuitive features carefully designed to transform your time, into quality time.

Innovations include a new compact steering wheel, new digital head-up or digital 3D holographic instrument panel and the newly designed PEUGEOT i-Connect infotainment system.

*Overseas model shown

PLUG-IN HYBRID TECHNOLOGY

Available in 308 GT Sport Hatch PHEV

e-EFFICIENT AUTOMATIC

The PEUGEOT 308 GT Sport Hatch PHEV is equipped with the new electrified Efficient Automatic 8 speed Transmission (e-EAT8) offering rapid and smooth gear shifts, with the option to manually change gear using the paddles mounted on the steering column.

PLUG-IN HYBRID MOTOR

The plug-in hybrid motor provides a powerful, fluid and efficient driving experience in all conditions. Enjoy the versatility of all-electric mode producing zero emissions, a silent performance with reduced vibrations and sharp acceleration thanks to instant engine torque.

The hybrid drive train produces a combined 165 kW for a rewarding & stimulating driving experience.

LITHIUM-ION BATTERY

The 300V high-voltage battery is the Lithium-ion type and is conveniently located under the rear seats to preserve cabin and cargo space.

The battery comes with an 8-year or 160,000 km warranty¹ for 70% of its 13.2kWh capacity.

^f Overseas model shown

1. Whichever occurs sooner, from vehicle's warranty start date.

CHARGING YOUR PEUGEOT PLUG-IN HYBRID

Whether home charging or public charging, your PEUGEOT plug-in hybrid is designed to make life easy and to keep your mobile wherever you are.

PRIVATE CHARGING

A Wallbox is PEUGEOT'S recommendation for optimum charging at home.

This method will efficiently charge your vehicle in just a few hours using the cable which comes with your vehicle.

PUBLIC CHARGING

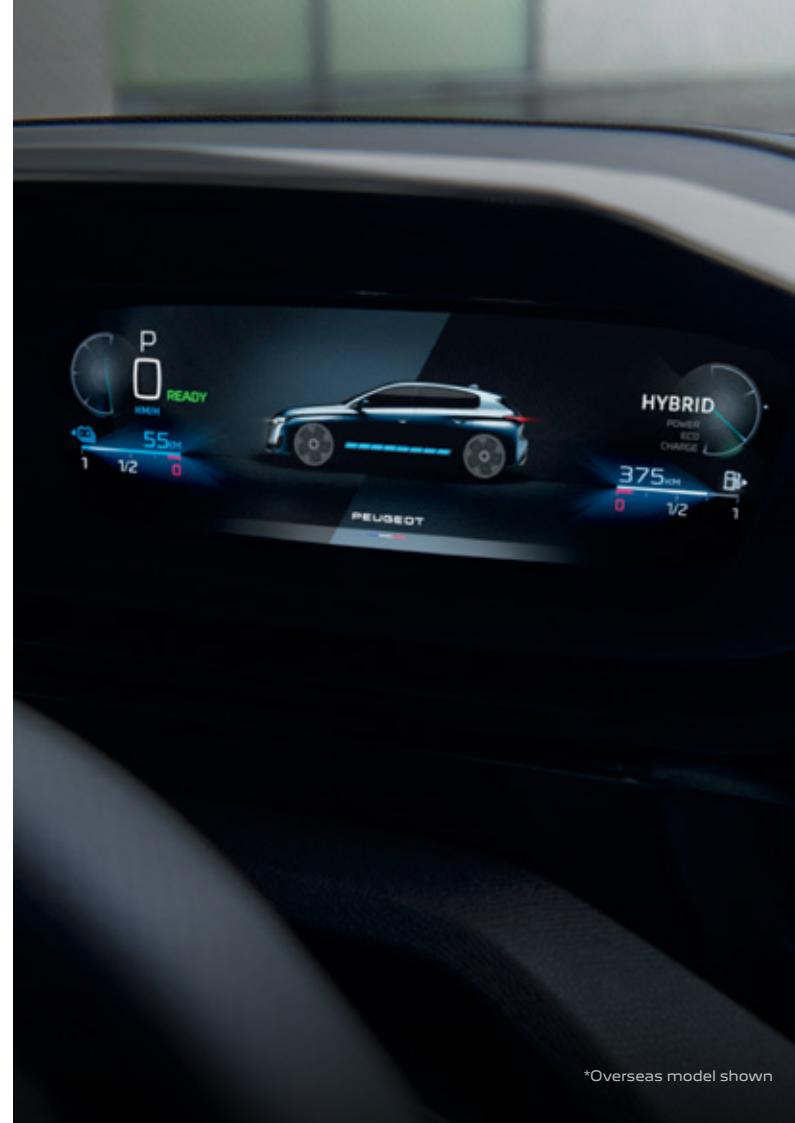

Utilising the expanding network of public infrastructure is an easy way to top-up range on the go, with many easy to use apps available for you on your smart phone.

MYPEUGEOT APP

Use the MyPeugeot app to access your owner's handbook online, check servicing & maintenance schedules, as well as fuel tank levels and odometer readings.

It's also perfect for trip planning - sending that information to your car's built-in navigation - or checking where you parked.

DRIVING RANGE

Enjoy travelling both short and long distances in your PEUGEOT plug-in hybrid, including a driving range of up to 60km WLTP¹ in 100% electric driving mode.

Tips to help optimise the driving range of your PEUGEOT:

THE POWER INDICATOR

Monitor energy consumption in real time, using the indicator on your dashboard, for efficient management of your vehicle's driving range.

REGENERATIVE BRAKING

When you release the accelerator the electric motor act as a generator, slowing the vehicle and recharging the battery.

1. Figure based on WLTP (Worldwide Harmonised Light Vehicle Test Procedure) static laboratory combined average city and highway cycle test, which measure, energy consumption, range and emissions in passenger vehicles, figures stated for the purposes of comparison amongst vehicles tested to the same technical procedures only. Actual real world range results will vary depending on a combination of factors including but not limited to load, driving style, type of journey, vehicle configuration, battery age and condition, use of vehicle features (such as heating and air conditioning), as well as operating, environmental and climate conditions.

INSTANT SERENITY

Inside, the atmosphere is comfortable and inviting with customised LED lighting modes in your choice of 8 colours and the sensational sound quality of the premium Hi-Fi system.

Relax with the AQS (Air Quality System) which cleverly activates air recycling, while the Clean Cabin air treatment system lets you breathe easy, thanks to its High Efficiency (HE) air filter.

Melt into the ergonomic and enveloping front seats of the GT Premium with heating, 10-point massaging with eight-pocket pneumatic technology, five massage programmes and German certified back health design.

PEUGEOT 308 GT Hatch features Fraxx knit Tri-Material Alcantara trim, while the GT Premium and higher variants feature full grain Nappa leather¹ seat trim.

1. Leather appointed seats are a combination of genuine leather & synthetic materials for durability and are not wholly leather.

SAFETY

ADAPTS TO YOUR SURROUNDINGS

Peugeot 308 features the latest list of Advanced Driver Assistance Features (ADAS), such as Adaptive Cruise Control with Stop & Go automatically adjusts vehicle speed to maintain a safe distance from the vehicle in front and stops the vehicle completely if the vehicle ahead stops.

Becomes GT Premium variants also feature Active Lane Following or semi-autonomous steering for those long road trips.

ALL ROUND SAFETY

Manoeuvre confidently thanks to the new High Definition 180° reversing camera, while three additional cameras a front & rear 360° view on GT Premium and higher variants.

Extended long range Blind Spot Detection monitors up to 70m behind your vehicle to protect you against potential dangers.

EFFICIENT DRIVETRAINS

The All-New PEUGEOT 308 is equipped with the dynamic latest generation Puretech turbo petrol engine, combined with a EAT8: Efficient Automatic Transmission 8-speed automatic gearbox.

Enjoy the clean and streamlined 'gearshift free' centre console and fuel saving thanks to the Stop & Start feature.

ALL-NEW PEUGEOT 308 WAGON

The athletic profile of the All-New PEUGEOT 308 Wagon highlights its aerodynamic lines, while the glossy black roof bars elongate the fluid silhouette.

The streamlined design is further enhanced by the lowered line of the roof, which flows to the curved cabin and stylised wheel arches.

At the rear, full LED 3D lights feature the iconic claw signature and inside the generous boot. While flat folding rear seats give you a versatile completely flat floor with 1634 litres of cargo space.
